

The Ecumenical Council  
of San Diego County  
& the San Diego Public Library  
invite you to

# Meet Your Muslim Neighbor

a community forum

These community gatherings explain the basic beliefs of Islam, the five pillars, the role of women, the rules of warfare, and misconceptions about the religion with the intention of helping to "put a human face" on Islam.

Members of the local Muslim community will be joined by representatives of Christian and/or Jewish faith communities who may point out the distinctions and similarities between these three Abrahamic faiths.

This event is part of "*Stories of Faith: Religion and Diversity in San Diego*," the Library's five-month series of programs consisting of dance, music, live theater, films, exhibits, lectures and panel discussions with the goal of enabling participants to learn more about each others' beliefs and values. The project is made possible by a Community Speaks grant from the California Council for the Humanities.
